SHRED YOUR PRUNINGS FASTER FOR ONLY $146.

Up to ½ inch—60 feet per minute—up to 1 inch—30 feet or more per minute!

The patented side hopper of the "Cut 'N Shred Shredder provides the exclusive method of first cutting and then shredding the most fibrous materials, such as tree prunings, stalks, vines, etc., into desirable mulches or fertilizers. Any garden wastes fed into either hopper, comes out shredded into useable mulch or compost that is ideal for fertilizing, weed smothering, moisture retention, or winter protection. The 3½ h.p. Cut 'N Shred Shredder for only $146 will make up to 80 gallons of wood mulch per hour from tree prunings.

The Shredder is also sold as an attachment for Roto-Hoe's 4 h.p. and 7 h.p. Power Units. Interchangeable with the Sno-Densa Thrower, which works in wet snow. Also the rugged Chain Drive Tiller with optional Aerating Discs.

To Get all the Facts—Just write your name, address and zip on the margin—tear this out and mail to

HURRY

YOU STILL HAVE TIME!

To Take Advantage of Organic Gardening's Special Christmas Gift Offer. But You Must Act At Once!

What better gift can you give someone than year-long garden success? If you have neighbors or friends whom you know enjoy gardening, you can introduce them to ORGANIC GARDENING magazine through a Christmas gift subscription. It's a gift that will be appreciated all year 'round and it's a wonderful way to take care of the old question "What can I give this year that's different?"

All you need do to enter gift subscriptions is fill in the name and address of your friends and relatives on the card opposite this page, or use the order form below. But mail it today!

The names of your friends will be entered on our subscriber list and the appropriate number of Christmas gift cards will be sent to you so you can address them in your own handwriting and mail them in time for Christmas.

This year ORGANIC GARDENING makes an especially timely gift as much of what we have been writing about for so long has finally broken into the headlines. So this Christmas why don't you help a gardening friend get through a long, cold winter with a smile?

Send us the names of your gardening friends today and we will bill you in January at the special low Christmas prices.

RASPBERRIES
large as a Nickel

NEW MORRISON, Giant of the Black Raspberry Family, stands head and shoulders above other standard varieties. Ohio Grower Says, "During one of the most serious spring droughts in history, the MORRISON RASPBERRY produced a heavy crop of fine berries—while other standard varieties in this section were small, seedy and almost a failure." Read all about them in our free catalog full of bargains in plants, trees, shrubs, etc. Write today.
